General Statement of Coronavirus Covid-19 Policy

Due to the Coronavirus (COVID-19) Pandemic, GPF Lewis PLC have implemented the following strategies to protect the health and wellbeing of our employees, families and external colleagues in order to provide services efficiently and safely.

- We strictly follow all UK Government and WHO advice
- Where possible our employees work remotely
- We encourage digital communication across all business activity

We are constantly reviewing our site operations against the latest advice from Government and the NHS. Where we can operate a site safely, we are doing so, fully in accordance with the latest version of the Construction Leadership Council Site Operating Procedures.

Remote working is an essential and integral part of our business and we wish to assure our clients that we will continue to provide the same levels of service through our secure remote servers, cloud-based software and video conferencing.

It is important to GPF Lewis PLC that we communicate clearly and remain in touch through these challenging times and we will continue to provide regular updates. Please do not hesitate to contact us should you have any questions or queries.

We hope that all of our clients and colleagues remain safe and in good health.
